Long Island Reads 2024

Book Discussion: Tuesday, April 17; 7:00 - 7:45 PM

Better Living Through Birding, by Christian Cooper

In *Better Living Through Birding*, Cooper tells the story of his life leading up to the incident in Central Park and shows how a life spent looking up at the birds prepared him to be a gay, Black man in America. From sharpened senses that work just as well at a protest as in a park, to what the Common Grackle can teach us about self-acceptance, *Better Living Through Birding* exults in the pleasures of a life lived in pursuit of the natural world and invites you to discover them yourself.

Letter from the Director

Can you believe it's already time for our second quarterly newsletter! We appreciate all of the wonderful feedback we received on the first mailed newsletter.

Effective January 25, 2024, Babylon Public Library has once again modified our tutoring procedures. Unfortunately, due to lack of sufficient space and overuse of our small and large community rooms, often conflicting with programs, the new procedure streamlines timing, duration, and who may tutor in the library. Please see the Adult Reference desk for the revised procedure.

The Board of Trustees will meet on Tuesday, March 26th at 6:30 PM for the annual budget hearing and regular monthly business meeting, on Tuesday, April 9th at 6:30 PM, which is also the day of the library budget vote and trustee election – please come out and vote, and May 21st at 6:30 PM for a regular business meeting - all are always welcome and encouraged to attend and participate in local library governance.

The Friends of the Library will meet in March, April, and May to plan the annual Spring Book Sale, which will occur May 30 - June 1. You will be blown away by the array of books, DVDs, CDs, board games, puzzle, calendars, and other bric-a-brac that our volunteer Friend's group organizes for the library's benefit. Please consider joining the Friends of the Library at monthly meetings and help support the library through your annual membership donation.

We wish you a wonderful Spring! In our next issue we will have information about our Summer Reading Program for 2024 – be sure to stay tuned!

We always look forward to seeing each of you at the library! Remember, libraries are for everyone – and that's a mission we're serious about!
Until next time, I am yours,
-Tom Vitale
