Director's Message

Can you believe I'm writing my message to you for Summer Reading 2025 already?!?!?! *Color Our World* looks to be an incredibly exciting theme this year – and we've already started coloring our world with a rainbow garden on the front patio! A few highlights for our Summer Reading Program this year are our ever-popular movie nights, and our Color Our World Photo Challenge! All event details are listed within this newsletter, and on our website at www.babylonlibrary.org.

The Summer Reading Program will go from June 28th – August 16th, and our cooperative public library system, SCLS, will once again be doing the Libraries Summer Tour, beginning July 1st, and going through August 31st. We have so many opportunities for reading, learning, and growing with us this Summer!

I'd like to thank the entire community for your overwhelming support of the library's 2025-2026 budget – and we're incredibly excited to have our current Board of Trustees President Gary Brunjes re-elected to another five-year term!

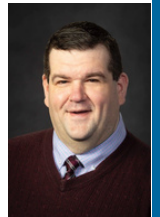

I'd also like to give a shout out to our amazing Friends of the Babylon Public Library who gave us funding for a new outreach tent, new play sets in the Children's Room, Museum Pass renewals, and our amazing new addition of an aeroponic tower garden! You can see this marvel in the alcove before you enter the Children's Room. This wonderful item will allow us to grow vegetables, herbs, fruit, and flowers all year round!

Don't forget to come see the library at all three Babylon Village Chamber of Commerce Summer Block Parties on Thursdays, June 12th, July 17th, and August 21st on Deer Park Avenue! We can't wait to have an amazing Summer with all of you!

Remember, libraries are for everyone – and that's a mission we're serious about!

Until next time, I am yours,

Tom Vitale

WHY DO SOME LIBRARY PROGRAMS REQUIRE REGISTRATION?

- Program presenters often require a minimum number of attendees. If we don't have that number, we have to cancel the program.
- If patrons register and don't show up, we still have to pay our presenters. Many programs have a waitlist - please let us know if you can't make it!
- Most programs require supplies or offer snacks. The library purchases enough for registrants and may not have extras for walk-ins.
- The Library makes an effort to spend the budget as wisely as possible. We need your help with this!
