Director's Message

Dear friends,

It's been a busy few months at the library, and can you believe it's almost Spring?

In the next two months, we're offering lots of great programs! In March, you can visit the Lindenhurst Library to view the movie, ***Free for All: the Public Library***. The Friends and BVAC are sponsoring our **Spring Concert Series, with the first performance on March 14th**. The Suffolk County Board of Elections will also be here to introduce the new voting machines that will be used this June.

In April, we're offering a **Shinnecock Bay Seal Cruise, a paint night, and a safe boating course**.

A few reminders in this issue: first off, please remember that the public hearing for our budget is on Tuesday, March 31st at 6:30pm, and the annual budget vote and trustee election will be on Tuesday, April 14th from 12 noon - 8pm. Make sure to stop by the Children's room for some fun and entertainment beginning at 4:00pm on April 14th.

Second, this is a friendly reminder that presenting your library card at a museum without a pass will not gain you entry, and we'd hate to see you waste a trip. You must first reserve museum passes from our website or in person at the library.

Finally, we always want to maintain a safe and enjoyable experience at the library for everyone! There's always a solution to any issue without raising voices, or using unkind words. Please remember that we're here to help, and we hope you'll let us do that in the best way possible.

We can't wait to see you all soon! Remember, libraries are for everyone, and that's a mission we take seriously.

Cheers,
Tom Vitale

WHY DO SOME LIBRARY PROGRAMS REQUIRE REGISTRATION?

- Program presenters often require a minimum number of attendees. If we don't have that number, we may have to cancel the program.
- If patrons register and don't show up, we still have to pay our presenters. Many programs have a waitlist - please let us know if you can't make it!
- Most programs require supplies or offer snacks. The library purchases enough for registrants and may not have extras for walk-ins.
- The Library makes an effort to spend the budget as wisely as possible. We need your help with this!

Notary Services

Library employees who hold a valid New York State Notary license are available to provide notary services to patrons. **Appointments are required.** Please call the library for an appointment. The library does not charge for a notarization.
